If the term shall commence or terminate upon a day other than the first (or in the case of termination of the last) day of the calendar month, then Tenant shall pay, upon the Term Commencement Date, a pro-rata portion of the fixed monthly rent for the first month.

3.02 – Real Estate Taxes and Common Areas and Mall Charges

(a) Tenant covenants and agrees to pay to Landlord, as additional rent during the term of this Lease, the amount of taxes and assessments levied and assessed upon the demised premises (including a proportionate share of the land and improvements comprising the Common Areas). All taxes assessed prior to but payable in whole or in installments after the Commencement Date, and all taxes assessed during the term but payable in whole or in installments after this Lease terminates, shall be adjusted and prorated, so that Tenant shall pay its pro rata share for the Lease term. The additional rent provided for in this Paragraph shall be an estimated charge which shall be payable in equal monthly installments in advance without prior demand being made therefore and without offset of any kind. Tenant's share of real estate taxes shall be adjusted annually to reflect the actual real estate taxes incurred during the receding tax year. In the event the monthly installments are not sufficient to meet the actual expenses for the tax year, Tenant shall pay a pro rata share of the additional amount within ten (10) days of receipt of an invoice showing proof of the amount paid and calculation of the Tenant's portion thereof. Any overpayments shall be adjusted annually and credited to the amount due for the next successive year.

In the event the demised premises (including a proportionate share of the land and improvements comprising the Common Areas) are not separately assessed but are part of a larger parcel for assessment purposes, Tenant shall pay Tenant's proportionate share of said taxes and assessments on the larger parcel, which shall be determined by multiplying the total taxes and assessments by a fraction, the numerator of which shall be the floor area of the demised premises and the denominator of which shall be the floor area of the shopping center. As used herein, the term "floor area" shall be deemed to mean and include all areas for the exclusive use and occupancy by a tenant of Landlord, measured from the exterior surface of exterior walls and from the center of interior walls serving as partitions between tenants, including any and all mezzanine, storage, office, and employee areas.

If for any reason whatsoever Landlord shall protest any such tax or assessment relating to the demised premises or the Shopping Center, Tenant agrees to pay Landlord, regardless of whether such protest is successful or unsuccessful, within thirty (30) days after receipt of a written statement from Landlord in this regard, an amount equal to (i) all costs relating to such protest if the contested taxes or assessments are levied on the demised premises only or (ii) Tenant's proportionate share of such costs if the contested taxes or assessments are levied on the Shopping Center.

(b) Tenant agrees to, and shall, pay to Landlord, before any fine, penalty, interest or cost is added thereto for the non-payment thereof, any tax that may be levied, assessed or imposed, by way of license or otherwise, upon the rent reserved herein and/or this lease and/or the demised premises by any governmental authority acting under any present or future law, statute, ordinance or the like.

(c) Tenant agrees to pay to Landlord, as additional rental, Tenant's proportionate share of the costs ("Operating Costs") of maintaining, operating, repairing, replacing and insuring the "Common Areas" (hereafter defined), which amount (hereafter called the "Common Area Charge") shall be computed by multiplying such costs for the calendar year in question by a fraction, the numerator of which is Tenant's floor area and the denominator of which is the leaseable floor area in the Shopping Center. Such Common Area Charge shall be paid by Tenant in monthly installments in such amounts as are estimated and billed by Landlord at the beginning of each twelve (12) month period, Commencing and ending on dates designated by Landlord,

each installment being due on the first day of each calendar month. At any time during each twelve (12) month period, Landlord may re-estimate Tenant's proportionate share of Landlord's operating costs and adjust Tenant's monthly installments payable thereafter during such twelve (12) month period to reflect more accurately, Tenant's proportionate share of the Operating Costs.

The term "Operating Costs" means all costs and expenses of every kind and nature paid or incurred by Landlord (including reasonable and appropriate reserves) in operating, managing, equipping, policing (if and to the extent security services are provided by Landlord), lighting, repairing, replacing, maintaining and insuring all parking facilities, and all other common areas of Shopping Center (including, but without limitation, all landscaping and gardening). Such costs and expenses shall likewise include, but shall not be limited to, water and sewer charges, storm water charges, premiums for liability, property damage, fire (with "all risk" endorsement if applicable), rent loss, workmen's compensation, and other insurance (including all insurance, hazard, rent and otherwise, carried by Landlord on all structures in the Shopping Center) and the cost of heating, ventilating and air conditioning any enclosed areas which are a part of the common Areas and the cost of maintenance, repair and replacement of such equipment; the cost to Landlord for management; all repairs to the buildings of the Shopping Center including roof repairs and all other equipment used in the operation of the Common Areas; and administrative costs equal to ten percent (10%) of the total costs of operating and maintaining the Common Areas (less appropriate reserves and cost for management); but there shall be excluded costs of equipment or property chargeable to capital accounts and depreciation of the original costs of constructing said buildings, parking facilities, enclosed malls and other areas. Within one hundred eighty (180) days after the end of each calendar year or partial calendar year of the Lease term, Landlord will furnish to Tenant a statement showing in reasonable detail the Shopping Center's operating cost for the prior year and Tenant's monthly installments on the common areas and facilities charge for the then calendar year. Tenant shall pay any deficiency in Tenant's common areas and facilities charge with respect to both the prior calendar year or partial calendar year and the then calendar year (as a result of any delay in adjusting the monthly common areas and facilities charge for then Calendar Year) contemporaneously with the next regular installment of Tenant's common areas and facilities charge, which shall be adjusted to reflect Landlord's estimate of the Shopping Center's operating cost for the then calendar year. Landlord shall credit any excess payments made by Tenant against the next regular installment of Tenant's common areas and facilities charge. **Estimated Cam charges for the remainder of 2013 are \$ 2.95 per sf.**

3.03 – Past Due Rent

If during the term of this Lease Tenant shall fail to pay the fixed monthly rent when the same is due and payable, Tenant shall pay to landlord, as liquidated damages for such late payment in addition such fixed monthly rent, without notice or demand by Landlord, a sum equal to one tenth (1/10th) of the amount thereof. If Tenant's failure to pay continues for more that thirty (30) days, Landlord shall have the right to impose as additional liquidated damages a sum equal to one tenth (1/10th) of the amount then due. Nothing contained in this paragraph shall be construed to be a limitation of or in substitution of Landlord's rights and remedies under Article 14.

3.04 – Definition of Lease Year and Partial Lease Year

The term "lease year" is defined to mean a period of twelve (12) consecutive calendar months, the first full lease year commencing on the first day of the month following the Term Commencement Date, and each succeeding lease year commencing on the anniversary of the commencement of the first full lease year. Any portion of the term, which is less than a lease

year, shall be deemed a “partial lease year” and computations requiring proration shall be prorated on a per diem basis using a 365-day year.

3.05 – Security Deposit

Tenant agrees to deposit with Landlord upon execution of this Lease the sum of \$_____ not as prepayment of rent but as security for the faithful performance and observance by Tenant of the obligations and duties required of Tenant by this Lease. In the event Tenant defaults in respect of any of such obligations and duties including, but not limited to, the payment for construction items, if any, the payment of fixed monthly rent or part of the security so deposited to the extent required for the payment of any fixed monthly rent, for any sum which Landlord may expend or may be required to expend by reason of Tenant’s default in respect of any of the terms, covenants and conditions of this Lease. Upon notice by Landlord, Tenant shall pay to Landlord, within ten (10) days after demand therefore; any part of the security so used or applied by Landlord so the security may be restored to its original amount.

21.11 – The parties hereto acknowledge that this agreement was brought about through the procurement efforts of _____ and _____ and Landlord hereby agrees to pay to _____ rental commission in accordance with a certain listing agreement between Landlord and _____.

21.12 - In the event the center is operating, Landlord reserves the right to relocate Tenant within the Shopping Center at Landlord's sole expense. Such relocation shall not substantially interfere with Tenant's business operations.
